LITTLE BALD SPOT.

Men Be Sensible, Don't Let It Grow More Conspicuous.

If you are beginning to worry about that spot right on the top of your head, where the hair is thin or has disappeared entirely:

Don't worry any longer.

Go to E. J. Jenkins at once and get a 50c bottle of Parisian Sage.

If that won't check the falling hair, and cause new hair to grow, nothing on this earth will.

Dandruff causes hair to fall and baldness; dandruff germs cause dandruff.

Parisian Sage kills the germs; eradicates dandruff; stops falling hair and itching scalp, or money back at E. J. Jenkins' drug store.

It will cause the hair to grow, if the hair root be not dead.

It causes the hair to grow thicker, more luxuriant, and puts so much new life into it that it grows lustrous and beautiful.

The Girl with the Auburn hair on every package. Fifty cents at E. J. Jenkins' and druggists everywhere.

Mail orders filled by American makers, The Giroux Mfg. Co., Buffalo, N. Y.
